Andy sat in her desk at runway talking to Doug on the phone. It was late and she was waiting for the book killing time talking to Doug on the phone. She had him on speaker so she was able to fix Miranda's schedule for tomorrow.

"No I actually don't miss him in particular since I am now into women...duh" Andy chuckled. She couldn't be with Nate anymore since she found out that she was into woman. It was hard on both of them but at least he had something to look forward to since he got a great job in Boston. That came at a right time.

"What I really miss is having sex I am so horny I can't even tell you." She told Doug. He just laughed at that. "Well then go in her office and do her tomorrow or better seduce her tonight. The woman of your desire." Andy grinned "Yeah right, like I would go to Miranda and tell her hi I would like to fuck you you got a minute?" They both laughed at that. "Well no not like that but if you do want to get in her skirt you have to do something. Romance her..." Andy sighed at the thought of her favorite lady. "Oh Douggi I would love that but you know she is not gay and she is my freaking boss you know."

"People change and you never know maybe she is bi?" Doug answered.

What Andy didn't realize is that Miranda came back in minutes ago and listened to her conversation. Since Andy was with her back to the entrance she didn't realize she wasn't alone. "Alright baby cakes I gotta go now Thomas is waiting you know ." Doug said and Andy could see him smirk through the phone.

"Lucky you, you get laid and some amount of sleep." She chuckled ." Ok have fun love ya. Bye." With that she hung up and heard the door crack and thought it was Mark from the art department with the book. She turned around and by the sight of Miranda she gasped.

"Holy shit ...I mean hi Miranda the book should be ready any second if you want to take it with you yourself." she didn't know how much she heard of the conversation, if she was screwed or if she didn't hear anything so she just went on like nothing happened.

Miranda didn't say anything at all. She just strode over to Andys desk where the young woman was still sitting. She pulled the young woman away from her desk and went to sit on it. Right in front of Andy and crossed her legs. Andy almost started drooling by that sight. "Hi...I...go check on the book...you...oh my lord." She said while standing up heading to the art department. Miranda chuckled as soon as she was out of sight. She loved the way Andy reacted to her. She knew that Andy was into her but hearing that conversation made it clear that she wanted the young woman and she didn't want to wait anymore. Since she was divorced there was no reason to wait any longer.

After 5 minutes Andy came back with the book. Miranda wasn't sitting at her desk anymore. Andy sighed in relief. She wouldn't be able to handle that. And she knew after that, whatever that meant or was, she had a date with her vibrator tonight. She figured Miranda left so she shut down her computer and went to get her Coat and her bag.

"Andrea?" Shit...she was still here in her office. She didn't notice the tiny light that was on. She left her things on her desk and took the book to bring it to her.

"Here's the book. I thought you left, Roy is downstairs if you need anything else?" Miranda got up and rounded her desk and took the book brushing her hand slightly. Andy shivered at the touch.

"Wasn't there something you wanted to ask me Andrea?" She said in a very low almost purr. Andy swallowed and started thinking what she might forgot to do.

"Not that I can recall, no." Andy started to become a little nervous. Miranda sat at the edge of her desk and faked a little disappointment.

"Huh I swear I heard you say you wanted to ask me if I got a minute to fuck you." Andys eyes went wide and her mouth opened in shock. "Oh fuck ...sorry you heard that?" Andy slapped her hands over her mouth. Miranda couldn't hide a little smirk. "Actually I don't have a minute Andrea...because..." She stood and walked closer to Andy who was ready to be fired, Miranda style. "...I wouldn't be able to do everything I want to on one minute." She caressed Andys cheek and gazed into her eyes."But I'd love to fuck you." She whispered very seductively. Andy couldn't believe what she just heard and since she

thought that she was fired anyways she lounged forward and grabbed her by the waist and kissed her.

She pushed her boss against the desk again and deepened the kiss. She couldn't believe it but Miranda was responding. Miranda wanted her too. Andy had her hands around the editors neck by now and held her. Miranda was holding on Andys waist. Suddenly they heard the door open. Andy almost jumped back while fixing her hair and lipstick. She turned around and saw Mary the cleaning lady. "Oh hi Mary we are out of here in a minute but you can start in the outer office and kitchen area." "Hi Andy oh my working late again? Ok will do. Thanks."

Miranda was flushed and still breathing fast but she packed her belongings and grabbed the book. "Are you ready to leave Andrea?"

"Sure thing...bye Mary." She yelled and grabbed her stuff also. They walked to the elevator. As soon as they were in the elevator, Andy turned to Miranda and pushed her in the corner. Miranda's hands were full with the book and her Prada purse. But she didn't complain about being pushed by the sexy young lady. Andy grabbed her by her waist and got very close. Her lips hovered over Miranda's. "You wanna come? I mean to my apartment." She chuckled at the double meaning. Miranda's tongue came out a bit and licked Andys lip and she whispered. "Yes and yes." Andy dove in kissing her again.

She pulled away since the elevator arrived. "Ok since we have 20 minutes ride to my apartment you wanna play a game while we drive there?"

" Andrea I am not a game person." They walked next to each other to Roy. "I bet you would like that one it's called "sexual tension" we tell each other what we want to do to each other and the only rule is we are not allowed to touch each other until we are in my apartment. What do you say?"

"You are right, I do like the idea of that." They got in the car and Andy told him where to. "Okay I start ok so you see how it goes." She leaned in and whispered " I want to fuck you into next week." Miranda blushed and smiled. "Ok my turn...I want to rip that last years blouse of." The wetness between Andys legs increased and she inhaled deeply and pressed her legs tighter together. "Ok...uhm I want to lick and suck on your nipples." Andy realized again that she was playing that game with Miranda and blushed. "I see...I want to feel how wet you are for me." She whispered. "Oh god...it's so hot in here...I want to rub my naked body against yours."

Miranda closed her eyes and opened her coat. She was dripping wet by now. Both of their breathings went faster. "Roy I will give you a raise if you bring us there in less then two minutes."

Roy brought the car to a stop and told Miranda that they just arrived. They went out of the car and almost ran up the stairs. Andy fumbled around with her keys. "Give me that." Miranda grabbed the keys and let them in.

They tore each other's clothes of and kissed each other fiercely. "Bedroom. Where?" Andy took her hand and led them to the bedroom. "God I want you so much darling." They stood in front of the bed with

only their underwear on. Miranda crawled on the bed and Andy got rid of the last parts of clothing as Miranda did the same. She sat against the headboard and Andy crawled on top of her, straddling her. Their naked body's touched for the first time and they moaned into each other's mouths. "Miranda I won't last long and that's your fault...your so damn hot." Andy said totally out of breath. Miranda's hand went in between Andys folds. "Oh Andrea you are sooooo wet? I want to make you come." She slid two fingers in Andys hot core and Andy began riding her fingers. "Fuck Miranda ...please more...I need...more..." Miranda added another finger and Andy was riding her fingers faster until Miranda touched her clit with her palm and pressed against it. "Yessss...oh yesss...that feels amazing..." Andy came so hard and well she felt very satisfied. She rode out her orgasm and smiled down at the woman and kissed her very slowly.

Andy went off Miranda's lap and with that Miranda's fingers slipped out of Andy. She moaned at the loss of them. She slid down between Miranda's legs. She sat on her knees pulling Miranda on her thighs closer to her. She was diving right in and slid her tongue over her entire pussy. Miranda moaned and wasn't able to say anything anymore. She closed her eyes and just enjoyed. "Fuck Miranda you are delicious and so hot." She licked her for a while before she took her fingers and slipped on in. The other was loosening her other orofice. Mirandas eyes shut open and she wasn't sure if she wanted that since no one ever touched her "there". "If you don't like it I will stop just tell me sweetheart."

"Oh no, don't ...don't stop please.." Andy grinned and slipped her fingers insider her on in her pussy the other one in her ass. And she pumped in and out. "You like to be fucked in your ass babe?"

"Ohhh yes...Andreaaa...faster ...please." Andy picked up with the speed and added another finger in her pussy and stretched her nicely. "Shit...shit...oh fuck...yesss...uhhhh." She came while her whole body was shaking under Andys penetrations. Andy slowed her fingers down and Miranda rolled her hips slowly to ride out her orgasm and come down from her high. "Mhhhh Andrea...Andrea that was amazing. I won't be getting enough from you tonight so be prepared as soon as I recovered its your turn again. Andy crawled over Miranda and kissed her lips quickly and chuckled. "I can't wait."
